[redacted] was contacted to determine if VVAW members are actively involved in supporting the Irish Republican Army (IRA) within the United States or Northern Ireland.

[redacted]
 has received no indication that VVAW is, in any way, involved with the IRA. He is remaining alert for any such information and anything ascertained will be expeditiously furnished to the Bureau.

In this connection, and in order to afford further coverage of VVAW activities, Chicago desires to establish a mail cover on VVAW National Headquarters, 827 West Newport Avenue, Chicago, Illinois, 60657, for a period of 120 days. None of the National VVAW leaders are known to currently have an attorney or to be under indictments.

It is believed such coverage may furnish desired information regarding VVAW bank accounts, other sources of funds, membership, and possible contacts with influential persons who may, on a national or international level, be able to assist the VVAW or request assistance of the VVAW.

Reurairtel 3/16/73.

Bureau concurs with observations set forth in referenced airtel regarding the desirability of placing a mail cover on the VVAW National Headquarters in Chicago. You noted that none of the national VVAW leaders are known to be under indictment or known to have an attorney. The current prosecutive action being taken against VVAW leaders and activists in Gainesville, Florida, must be considered in this matter and it is considered prudent to take no action on your request for a mail cover in order not to jeopardize this prosecution. Upon completion of the trial, however, you should resubmit your request fully justifying the use of this technique.

FBG:mjg
(4)

NOTE:

VVAW National Headquarters has recently relocated from New York City to Chicago, Illinois. Chicago has developed a source, [redacted] but in order to afford [redacted] coverage has requested the establishment of a mail cover. This would be most desirable in ordinary circumstances because of the extensive international contact of VVAW leaders as well as the fact that we have individual Espionage X cases on some of them. The actions of the defense attorneys in the Gainesville case and the unreasonable length they will go to to harass the Government make it undesirable to establish a mail cover at this time. This matter will be followed and after the trial, Chicago's request will be reconsidered.

RE: [REDACTED]

VETERANS AGAINST THE WAR

On August 17, 1972, [REDACTED] Hancock County Sheriff's Office, Findlay, Ohio, advised he did not know [REDACTED] and could furnish no information concerning his activities.

On September 14, 1972, [REDACTED] advised that approximately one year ago someone in the plant had brought in a college newspaper from the University of Dayton, and this paper contained an advertisement from the Vietnam Veterans Against the War and furnished an address in Dayton, Ohio for anyone who wished information concerning this organization. He stated that since he was a veteran of the Vietnam War and a former member of the U.S. Marine Corps, he wanted to know more about this organization and consequently sent in his name to the address furnished in the newspaper. He did not recall the name or address of the individual he contacted in Dayton, Ohio. He stated that shortly after his inquiry he received literature from this source and after reading the literature furnished him he decided he wanted nothing to do with the organization and never contacted the individual or organization again. [REDACTED] advised that literature was furnished to him for approximately 2 months subsequent to his initial contact of the organization. He stated that he is not a member of the Vietnam Veterans Against The War and has never been a member of this organization. He volunteered he did not believe in the methods of some of the individuals who belong to the Vietnam Veterans Against The War. [REDACTED] stated that he is presently [REDACTED] and considers himself a family man. Cobleskill-Not organized much yet, but there are people interested (Vets and others)-Working to start a campus Vets Club.

2. Regional Report- There are 15 active chapters in the state, varying in size and level of activity. Although there are many important areas that don't have chapters (i.e. Albany-Troy-Schenectady-Rome-Utica), we still have the potential of reaching a great many people. However, we are operating far below our full potential due to lack of cooperation and participation by the existing chapters. The poor attendance at the Regional meetings is evidence enough of this. Fund-raising is a full-time job for the state office. Strength lies in communications, and this takes money. Right now the state account is approximately \$600. in the red. This adversely affects all levels of the organization.

3. Regional Structure:

In order to insure fairness of representation at regional meetings, especially to the smaller chapters, the following proposal for voting was worked out and passed:

- 3 votes-those chapters with on-going programs for veterans.
- 2 votes-those chapters visably engaged in activity in support of the goals, objectives, and programs of V.V.A.W.
- 1 vote-those chapters considered to be in an embryonic stage.

The regional office has one vote.

Functions of the Regional Coordinator:

- a. To coordinate Regional meetings and Regional delegations to National meetings.
- b. To supply literature and organizing materials.
- c. Travel and initiate new chapters throughout the Region.
- d. To promote on-going programs in the Region.
- e. Maintain membership files and coordinate this with the National office.
- f. Set up and operate a fund-raising apparatus.
- g. Coordinate agenda items for regional and national meetings.
- h. Maintain files and records of all V.V.A.W. activities.
- i. Coordinate and issue newsletters.
- j. Issue minutes of meetings.

****Proposal:** That one person from each area already established within the N.Y. Region be chosen by the people within that area and the Regional coordinator to implement organization within that area, and that they in turn work closely with the regional coordinator. PASSED.

****Proposal:** To investigate the possibility of including Vermont into the Region. This could be started by inviting them to our Regional meetings. PASSED.

****Proposal:** That chapters pledge money to the Regional office

on a meeting to meeting basis according to their capabilities (10% of chapter income is the suggested guideline). PASSED.
 N.Y.C. \$100. Newburgh \$25. Buffalo \$40.
 Oneonta \$20. Rochester \$30.

4. West Point Action:

****Proposal:** That a planning committee be set up immediately for a Regional action at West Point, May 19, 1973 (Armed Forces Day) with the emphasis on:

1. Anti-imperialism
2. Defense spending
3. Amnesty
4. Support of the G.I. movement.

This committee to be made up by Don Abrams, from Orange County, the Southern Sub-regional coordinator, and the Regional Coordinator. Further, that a campsite and workshop facilities be set up to work around these four points.

Further, that we propose at the N.S.C.M. in New Mexico that all other regions implement actions in their regions on Armed Forces Day in cooperation with the G.I. movement. PASSED.

5. Amnesty

****Proposal-** That V.V.A.W. Regionally begin a state-wide activity including petition and leaflet campaigns around implementing the amnesty objective. PASSED.

****Proposed Petition:** We, the undersigned, petition for full and unconditional amnesty for all those, military and civilian, who have refused to serve in a war which was so obviously illegal and immoral. We look forward to their return so that they may help to build lasting peace. PASSED.

Discussion of a Buffalo proposal to have a multi-regional demonstration at major U.S.-Canadian border crossings in coordination with exiles was tabled until the next Regional meeting so that specific information could be gathered and the exiles contacted. Tentatively dated for July.

6. Election of the Regional Coordinator:

Upon the recommendation of former N.Y.R.C. Ed Darato, the name of Ray Winters from the Buffalo Chapter V.V.A.W. was entered in nomination and unanimously approved by those present to become the new Regional Coordinator.

7. National Minutes:

This section refers to discussion of the minutes of the N.S.C.M., Chicago, January, 1973.

A. Proposals:

1. Medical Aid to Indochina: ****Proposal:** That we adopt the MAI proposal from the NSCM, Chicago, supporting MAI and withdrawing support from the Nguyen Van Troi Hospital Project at the national level, changed, however, to allow chapters to continue to work on N.V.T.H. project on a local level. PASSED.

2. Troc Proposal: Overwhelmingly defeated.

****New Proposal for next NSCM:** That VVAW relate in a principled manner with all political groups or parties whose politics and tactics do not conflict with the politics, policies and objectives of VVAW, and whose history shows potential and sincerity in

affecting change. This does not preclude cooperation and participation on specific issues. VVAW members who belong to other political organizations whose politics come in conflict with any of the objectives of VVAW will be excluded from holding any leadership position within VVAW. PASSED.

****New Proposal:** Any time the National Office or any national affiliate raises money in a region, they notify the Regional office and the local chapter and the split (if any) will be worked out with the local chapter, with the Regional office acting as moderator.

B. Workshops:

1. PANWAP (Propaganda Against Nuclear Weapons Attack Plan): Discussed- It was passed at National and we feel that people who want to work on it should. Persons who have questions or information on this should contact Ray Winters at the Regional office.

2. WSI's (Nuclear Weapons and Intelligence Community)

****Proposal:** We support the concept of WSI's (specifically Intelligence Comm.). However, N.S.C. members should insure that their functions are not disrupted through WSI's. People working directly with WSI's should have interim replacements if they are in leadership positions for the duration of their involvement with the W.S.I. PASSED.

3. Operation County Fair: It was decided to go along with the NSCM in supporting this as a VVAW project. As more information becomes available to the Regional office, it will be passed on to the chapters.

4. P.V.S.: There will be a national meeting on PVS this April in St. Louis, Mo., being organized by the National Council of Churches. VVAW will have good representation there, including some people from this region. We will try to make any results of that conference available to interested parties. Contact the Regional office. Item of interest: "The Vietnam Vet in Contemporary Society", Dept. of Medicine and Surgery, Veterans Administration, Washington, D.C. 2042D.

5. G.I. Workshop: ****Proposal:** That objective #3 as amended at the R.M. in Oneonta in Dec. 1972, be resubmitted at the next NSCM. PASSED.

6. Objective #2: As found in the Chicago minutes, the N.Y. Region backs Proposal #2.

9. Third World Caucus and Women's Caucus:

A. The work here has been taking place mainly in N.Y.C., but other chapters can learn from them. Dave Bailey has been working to set up integrated workshops on racism and black nationalism. He says that blacks don't think whites are struggling against racism, and suggests trying to unite people around the discharge objective. Dave can be contacted by writing the N.Y.C. Chapter. B. Also in N.Y.C. is a Women's Caucus. This is 20-25 women, mostly wives and friends of Vets who are at this stage, still trying to develop their own group dynamics and a relationship with VVAW.

10. January 20th:

This demo was the largest VVAW has ever had, and it received the least coverage. The National office issued a full and lengthy criticism on the action that was distributed with

the second National 1973 newsletter. Copies can be obtained through this office. Despite many screw-ups, the demo was a great success that conveyed our message to the world (foreign press wasn't stifled) and to Nixon (you can bet that he later received a lot of excellent film footage of that day's activities that the T.V. viewing public never saw: we stretched from one end of the Arlington Bridge to the other, six abreast.)

****Proposal:** That we urge the NSC to start exploring possibilities for demonstrations, should the bombing start again. **PASSED.**

11. Next Regional Meeting: First Choice: Syracuse; Second Choice: Rochester; Third Choice: Potsdam.
12. Direction of VVAW:
Due to lack of time, we didn't go into this. However, we thought that much of our future work is going to be in implementing the objectives.
13. V.V.A.W.'s Reaction to the Peace Accords:
The National office put out a statement on this that can be obtained on request. It can best be summed up by saying that we are delighted, hopeful and skeptic. We have our work cut out for us. The government has to be watched for moves to sabotage the accords once the POW's are back and the American people have to be kept informed and concerned over developments in S.E. Asia - as elsewhere.

VIETNAM VETERANS AGAINST
THE WAR (VVAW)

~~CONFIDENTIAL~~

The Vietnam Veterans Against the War (VVAW) is a national organization, composed primarily of veterans of the Vietnam war, which has conducted demonstrations against the war during 1970-1972. Its first published objective is "to demand an immediate cessation of fighting and withdrawal of all American troops from Southeast Asia."

I ORGANIZATIONAL STRUCTURE

The VVAW, with national headquarters located at 827 West Newport Avenue, Chicago, Illinois, is organized as follows:

[REDACTED] advised in February of 1972, that at the VVAW National Steering Committee (NSC) meeting held in Denver, Colorado, in February of 1972, it was voted that policy decisions on national activities and financial decisions would be made by the NSC, which would be composed of the VVAW regional coordinators and members of the National Staff. Also, the NSC will meet quarterly during April, June, September, and January, with provisions for emergency meetings which would supercede the regular meeting.

A source advised in April of 1972, that at a VVAW NSC meeting held in Houston, Texas, in April of 1972, it was voted to establish six national VVAW officers to be known as National Coordinators. The officers created were: a liaison officer to be in charge of inter-communications in the VVAW; a treasurer; a communications officer, who would be in charge of films, publications and press releases; a projects director; a membership director, and a legislative officer.

VIETNAM VETERANS AGAINST
THE WAR (VVAW)

~~CONFIDENTIAL~~

II OBJECTIVES

On March 12, 1973, the third source furnished the following objectives of the VVAW:

~~CONFIDENTIAL~~

" OBJECTIVES OF VIETNAM VETERANS AGAINST THE WAR

~~CONFIDENTIAL~~

- " 1. To demand an immediate cessation of fighting and the withdrawal of all American troop plans, and military and economic aid from Southeast Asia. We cannot allow one more human being to be killed in Southeast Asia. We support as a basis for the cessation of these hostilities the various peace proposals of the Peoples of Southeast Asia such as the 7 point peace proposal of the P R G of South Vietnam or such future plans as they develop based upon their right of self-determination and actual control of their own destinies.
- " 2. To demand the immediate termination of all other operations by the United States government, its agencies, and American business interests that are designed to suppress the rightful struggles for liberation and self-determination of the Peoples of Africa, Asia and Latin America. This includes the maintenance of dictatorial governments, economic domination, and the theft of the natural resources of other countries. The United States should make reparations in a program acceptable to the Indochinese for all of the damage done by the United States.
- " 3. To demand that all active duty servicemen and women, Reservists and National Guardsmen be afforded the same rights that are guaranteed by the United States Constitution and Bill of Rights that are presently denied by the Uniform Code of Military Justice. We are appalled that our active duty GI's are treated as less than first class citizens. We endorse the efforts of our active duty sisters and brothers in their struggle to democratize the military.
- " 4. To support all military personnel refusing to serve against their consciences in wars at home and abroad. We demand that Congress enact legislation for the immediate repatriation to those brothers and sisters who are in prison or in self-exile by reason of their refusal to serve in the military. It must also involve an end to all repression and a freeing of all political prisoners.
- " 5. To demand there be no distinctions as to types of discharges and that a single type of discharge be issued, and that this be retroactive. We also demand all veterans receive all rights and benefits under the VA; and that compensation for disabilities be based solely upon the degree of disability for veterans and their families, without regard to sex, race, rank, or length of service.
- " 6. To make clear that the United States has never undertaken an extensive open investigation of American war crimes in Indochina. In its war in Indochina, the principles of Nuremberg have been violated. As active duty and former GI's we recognize the responsibility and guilt of the individual soldier to refrain from committing war crimes. We also recognize that the responsibility and guilt of war crimes committed in the name of America lies with our policymakers at all levels."

" 7. Resolved to fight racism, to show Americans that our society is permeated by racism, which manipulates whites into viewing non-whites as inferior or less than human. This racism pushes Third World People through inferior schools to inferior jobs and into combat arms. Thus Third World People are sent off to die in disproportionately high numbers as we kill Asians indiscriminately. We also demand the US military recognize its complicity in America's domestic and international racism.

" 8. Resolved to fight sexism, to show that sexism plays a major part in promoting war. We must show Americans our society is permeated by sexism, which forces an inferior status upon women, reducing them to subservient sexual objects, and which robs both men and women of their natural growth. This institutionalized sexism channels women into unfulfilling lower paying jobs which are servile in nature and purpose; it exploits their bodies for sex and profit and it degrades and dehumanizes them by a double standard of morality wholly dependent on the myth of male supremacy. This sexism is exploited by the military, officially defining servicewomen as subordinate and thoroughly subjugating them to servile work and the role of a sexual object. We resolve to fight sexism within our society, within our own organization and within ourselves.

" 9. To support the democratic right of Americans to unionize and strike to protect their income and safeguard their employment. We consider all legislation designed to suppress these rights, including mandatory arbitration to be illegal, and not in the interests of American working people. We also demand full employment for all Americans, including free educational and vocational training for all who need or want it. We refuse to participate in the efforts being made to separate us from other working people, making veterans enemies by giving us the charade of employment priority. We condemn this as a method of encouraging military enlistment by the false promise of employment after service. We also condemn the use of active-duty GIs, Reservists, and National Guardspeople as strikebreakers.

" 10. To dedicate ourselves to these principles and objectives which directly relate to the imperialist suppression of the People of the World by the United States Government. ~~The third source advised on March 12, 1973, that the current VVAW National Coordinators are: Sam Schorr, Brian Adams, Bart Savage, Steve Hawkins, Barry Romo, and Ed Tamato.~~

IV INFLUENCE BY SUBVERSIVE ELEMENTS

Sources who are familiar with CPUSA activities and related front group activities, have advised that the CPUSA and these front groups do not exert any influence on the VVAW.

A fourth source advised on March 20, 1973, that the Socialist Workers Party (SWP) and Young Socialist Alliance (YSA), do not exert any influence on the VVAW.

The Chicago Branch Socialist Workers Party (CBSWP) was one of the founding branches of the SWP and follows the aims and principles of the SWP, which has been designated pursuant to Executive Order 10450.

As the youth organization of the Socialist Workers Party (SWP), the Young Socialist Alliance (YSA) serves as the main source of recruitment into that organization. The YSA is described in the masthead of its official publication, "The Young Socialist Organizer," as "A multinational revolutionary socialist youth organization."

Enclosed for the Bureau are an original and five copies of an LHM concerning above captioned organization.

Investigation in this matter was instituted by the Albany Division in 6/72, to determine if a chapter of the VVAW existed in the Binghamton, NY, area, in view of the fact that six individuals participated in a brief, peaceful demonstration at the Memorial Day parade 5/30/72, in Binghamton. Both demonstrations were peaceful and no incidents resulted during them.

VIETNAM VETERANS AGAINST THE WAR (VVAW)
BINGHAMTON, NEW YORK CHAPTER

On May 27, 1972, the local daily newspaper published in Binghamton, New York, contained an article concerning the Memorial Day parade scheduled for May 30, 1972, in the city, and stated that a small group of veterans of Vietnam opposed to the Vietnam War had been denied permission to join the Memorial Day parade. This article revealed that this small group of men call themselves the Vietnam Veterans Against the War. The newspaper reported on May 30, 1972, that the parade was held and six individuals appeared at the parade dressed in fatigue clothes and claimed they were opposed to American involvement in the Vietnam War. The spokesman for the group was [REDACTED] a graduate student at the State University of New York, at Binghamton. These individuals stood by the County Building during the parade holding a wooden box supposed to be a coffin and signifying their opposition to the Vietnam War. No incidents occurred during the parade.

The Vietnam Veterans Against the War (VVAW) is a national organization composed primarily of veterans of the war in Vietnam that has organized and participated in numerous demonstrations against the war in Vietnam during 1970-1972, including the seizure of the Statue of Liberty, New York City, and the occupation of the Betsy Ross House, Philadelphia, Pennsylvania, in December, 1971. Six members of the VVAW were indicted by a Federal Grand Jury, Tallahassee, Florida, July, 1972, on charges of conspiracy to violate the Federal Antiriot Law.

PUBLICATIONS

Source has advised on a continuing basis between May, 1972 and April, 1973, that the Cincinnati Chapter of VVAW has regularly attempted to sell the national publication of the VVAW, "The First Casualty," and its successor publication, "The Winter Soldier," at demonstrations in which the Cincinnati VVAW participates.

This source has similarly advised between May, 1972 and April, 1973, that the Cincinnati Chapter of VVAW has issued a mimeographed "newsletter" concerning Cincinnati activities. This newsletter is currently appearing on an average of every other week and is chiefly authored and prepared by [REDACTED]

(Source: [REDACTED] May, 1972
through April, 1973)

ACTIVITIES

Between May, 1972 and April, 1973, the Cincinnati Chapter of VVAW sponsored or substantially participated in 12 local demonstrations having as their frame of reference opposition to the conflict in Vietnam and other parts of Southeast Asia. Subsequent to the truce agreement in Vietnam, the VVAW sponsored a demonstration demanding amnesty for deserters and other "exiles" from the Vietnam War. On April 2, 1973, the VVAW participated in a demonstration sponsored by the Young Socialist Alliance (YSA), which

demonstration protested the current visit to the United States of South Vietnamese President Nguyen Van Thieu. All of these demonstrations have been in the Downtown Cincinnati area, and with the exception of one, none have been accompanied by either incident or arrest.

YOUNG SOCIALIST ALLIANCE

As the youth organization of the Socialist Workers Party (SWP), the Young Socialist Alliance (YSA) serves as the main source of recruitment into that organization. The YSA is described in the masthead of its official publication, "The Young Socialist Organizer," as "A multinational revolutionary socialist youth organization."

The SWP has been designated pursuant to Executive Order 10450.

On May 29, 1972, a Memorial Day Parade was held in the community of North College Hill, which is a suburb of Cincinnati. This parade was sponsored by the Veterans of Foreign Wars. Five members of the Cincinnati Chapter of VVAW joined this parade carrying anti-war placards. When they refused to leave the parade, they were arrested and charged with "disturbing the good order of a parade." This charge was subsequently dismissed against all five.

The number of persons participating in demonstrations has ranged from a low of two persons to a high of 75 for the amnesty demonstration.

The Cincinnati VVAW had a small group participate in the anti-war demonstration in Washington, D.C. at the time of the inauguration of President Nixon on January 20, 1973. They also had three persons travel to Miami, Florida in August, 1972, to join in anti-war protests in the vicinity of the Republican National Convention. Cincinnati VVAW members participated in a demonstration supporting the lettuce boycott which demonstration was sponsored in Cincinnati by the United Farm Workers Union.

VVAW demonstrations have included support from known members of the YSA and the Revolutionary Union (RU).

REVOLUTIONARY UNION
also known as
RED UNION
BAY AREA REVOLUTIONARY UNION

The Revolutionary Union (RU) was founded in early 1968 and is a militant, semiclandestine organization. Its objectives, as set out in its publications, are the development of a united front against imperialism, the fostering of revolutionary working-class unity and leadership in struggle, and the formation of a communist party based on Marxism-Leninism-MAO Tse-tung thought, leading to the overthrow of the United States Government by force and violence.

Concerning VVAW cooperation with, and from, YSA members at demonstrations, source advised that [REDACTED] has stated a bitter opposition, both in his comments at VVAW meetings, and in the VVAW newsletter, to the YSA and other "Trotskyite" groups and has described them as "splitting groups."

B. Aims and Objectives

On March 29, 1973, [REDACTED] advised that the following continue to be the aims and objectives of the VVAW:

1. To demand an immediate total cessation of fighting and the withdrawal of all American troops from Indochina.
2. To show Americans that their society is structured by a racism which lets us view all non-whites as less than human. This racism pushes our minorities through inferior schools and into the combat arms.
3. To make clear that the United States has never undertaken an extensive open investigation of American war crimes in Indochina. We demand that the United States government, in its war in Indochina, affirm the principles of Nuremburg. As former G.I.'s, we recognize the responsibility of the individual soldier to refrain from committing war crimes. We also recognize that the responsibility and guilt of war crimes committed in the name of America lies with our policy makers at all levels.
4. To demand that all active-duty servicemen and women be afforded the rights as citizens that are guaranteed by the United States Constitution

and the Bill of Rights that are presently denied them by the Uniform Code of Military Justice.

5. To support all military personnel refusing to serve in wars of aggression at home and abroad.
6. To demand immediate legislation to provide proper care and services for all Veterans in V.A. hospitals; to make available job training and placement for every returning veteran; and to provide the funds and means necessary for their educational and vocational endeavors.

SUMMARY

INFORMATIVE NOTE

Date 3/31/73

670 Attached relates that two Indians spoke at Miami University, Ohio, 3/28/73 regarding situation at the village of Wounded Knee, South Dakota, currently occupied by Indians. Committee at University is reportedly coordinating efforts for three states in the collection of food, funds, and medical supplies for Wounded Knee occupants. Funds collected at meeting were donated to Cleveland American Indian Center for new equipment. Other teletypes advise Vietnam Veterans Against the War (VVAW), St. Louis, and other affiliated groups reportedly will travel to Wounded Knee, weekend of 3/30/73 with supplies for Indians.

A source of our Charlotte Office indicates there will be no caravan from that area to Wounded Knee, as previously planned. In Chicago eleven persons in demonstration of Young Workers Liberation League (youth wing of Communist Party USA) on 3/30/73 distributed leaflets urging an end to Government interference at Wounded Knee.

The VVAW is a national organization composed primarily of veterans of the war in Vietnam, that has organized and participated in numerous demonstrations against the war in Vietnam during 1970-1972, including the seizure of the Statue of Liberty, New York City, and the occupation of the Betsy Ross House, Philadelphia, Pennsylvania, in December, 1971. "Sixteen members of Vietnam Veterans Against the War arrived at Orly International Airport in Paris, France this morning, June 26, 1972, for a three day meeting with veterans from the South Vietnamese National Liberation Front, North Vietnamese Army, Pathet Lao, and Cambodian Liberation Government. The meeting will mark the first time veterans from opposing armies have met in peaceful discussion while the conflict is in progress. This will be a profound human encounter between former "enemies" to seek a mutual understanding about what can be done to end the war and how each can work toward peace.

"The delegation from Indochina will include veterans and war victims from the South Vietnamese National Liberation Front, the North Vietnamese Army, and Cambodian Liberation Government. Also to attend are civilian military experts, a member of the South Vietnamese National Liberation Front Commission of Inquiry on the Consequences of the War, and a member of the North Vietnamese Army Commission of Inquiry from the War Crimes Commission. The delegates from the Cambodian Liberation Government will be headed by their Minister of Special Missions. The Pathet Lao is also sending a delegation."

The Vietnam Veterans Against the War (VVAW), is a national organization composed primarily of veterans of the War in Vietnam, that has organized and participated in numerous demonstrations against the War in Vietnam during 1970-1972, including the seizure of the Statue of Liberty, New York City, and the occupation of the Betsy Ross House, Philadelphia, Pennsylvania, in December, 1971. Six members of the VVAW were indicted by a Federal Grand Jury, Tallahassee, Florida, July, 1972, on charge of conspiracy to violate the Federal Antiriot Law.

On March 20, 1973, a confidential source, who has furnished reliable information in the past, advised the following.

In a briefing on conditions of the VVAW in the Los Angeles area, it was disclosed that there are 13 chapters in the Greater Los Angeles area and although [REDACTED] not disclosed for these chapters, [REDACTED]

[REDACTED]

[REDACTED]

On Wednesday, March 14, 1973, Camil, Jane Fonda and Alex Knopp, antiwar activist, spoke at a college in Costa Mesa, California. Camil talked on the indictment of the Gainesville 8; Knopp spoke on the bombing of Bach Mai Hospital in North Vietnam, and Fonda spoke on the Vietnamese women's role in their fight for freedom. She stated that the United States Government would have to rebuild North Vietnam because of the extensive damage which has been caused there. She also discussed extensive support for the AIM whom she said were the true Americans and also for the black people of the United States.

After the speeches, a discussion was held with Jane Fonda pertaining to getting medical supplies to the Bach Mai Hospital. She stated that any supplies obtained would have to go through a neutral country in order to be delivered to North Vietnam. Fonda requested that speaking engagements in Florida

~~CONFIDENTIAL~~

be obtained for her in the future in order to raise money for the Bach Mai Hospital. Alex Knopp also requested speaking engagements and stated that if such engagements could be obtained, he could be contacted in Philadelphia, Pennsylvania, at telephone number RI5-REBATES, which he said was a code for the actual number.

Following the speeches, the VVAW members attended the AIM-sponsored demonstration at the Federal Building at Los Angeles. About three hundred persons were present and they carried posters condemning repression of Indians. This demonstration was in support of Wounded Knee. Speaking at the demonstration was Angela Davis, Los Angeles Communist Party member, who talked about oppression of the red, black and white persons in the United States. She stated the Federal Government must provide a better standard of living for all persons and said that first there was red slavery, then black slavery, and now poor white slavery. She stated that all the oppressed people must unite.

On March 15, 1973, Camil and Fonda again spoke, this time at the El Camino College. Camil again spoke of the Federal indictment against himself and others. Fonda talked about the bombing of the dikes in Vietnam and the Bach Mai Hospital. She discussed about her speech on radio in North Vietnam and said that she asked to speak rather than being asked by the North Vietnamese.

During a question and answer period after the speech, Fonda told about the visit to Los Angeles on March 31, 1973, of President Thieu of South Vietnam. She said that her group, the IPC, will sponsor marches and demonstrations upon Thieu's arrival. She said the VVAW would also be a sponsor of the demonstrations. Planned at present were demonstrations at Thieu's hotel, including an all-night vigil. She stated Thieu is coming to the United States to get big business to invest in South Vietnam and to make further slaves of the people. She said all those interested in demonstrating will have a meeting in a Los Angeles park on the night of March 31, 1973, to plan for a march on April 1, 1973, against the California White House. She also said that it is planned to light bonfires in the streets to tell President Thieu that he is not wanted in the United States.

On the night of [REDACTED] a VVAW meeting was held at [REDACTED]. In attendance were [REDACTED].

Also met by Camil and [REDACTED] was a friend of Jane Fonda, who took photographs of combat actions in South Vietnam and who smuggled these films back to the United States. The films were 16mm. This individual never gave his name. These films were talked about by another friend of Jane Fonda, one [REDACTED] of [REDACTED] New York, New York, telephone number [REDACTED] stated that she would talk to appropriate producers to see if a feature film could be made from the film that was brought back from North Vietnam. [REDACTED] also stated she could get national news coverage of the VVAW convention if it were held in a northern state where good coverage was available. She said she wanted exclusive rights to any such coverage. She stated that for further information she could be contacted at the New York address or in Los Angeles at [REDACTED] telephone number [REDACTED] where she is staying with her daughter.

Discussed at this meeting was support by the VVAW of the YFLL in Watts, AIM, and IPC. It was noted that it is necessary to gain support from all VVAW members in the area for the demonstrations against President Thieu on March 31, 1973. In addition, the convention in New Mexico was discussed and it was agreed by all concerned that the convention site should not be switched to Ohio, but should be held in New Mexico as previously planned. SECURITY MATTER - REVOLUTIONARY ACTIVITIES

On May 10, 1972, a Special Agent of the Federal Bureau of Investigation reviewed the activities cards which are maintained as public record at the University Memorial Center, University of Colorado (CU), Boulder, Colorado, and it was determined [REDACTED] Colorado, was listed as [REDACTED] campus chapter of the Vietnam Veterans Against the War (VVAW). b7c

The VVAW was founded in the spring of 1967 by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper, "Vietnam GI", and sent close to 500 veterans into the McCarthy campaign to beat down the red baiters. After getting gassed at the Democratic Convention in Chicago and caught in the general "down" of the peace movement, VVAW was nearly inactive until the moratoriums in the fall of 1969. Members of VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW, nationally, consists of 8,500 members. u

On July 19, 1972, [REDACTED] Records Division, Boulder, Colorado, Police Department, and [REDACTED] Records, Boulder County Sheriff's Office, both advised the files of their respective agencies contain no record identifiable with [REDACTED] u
